Mr. Kenneth Sullivan

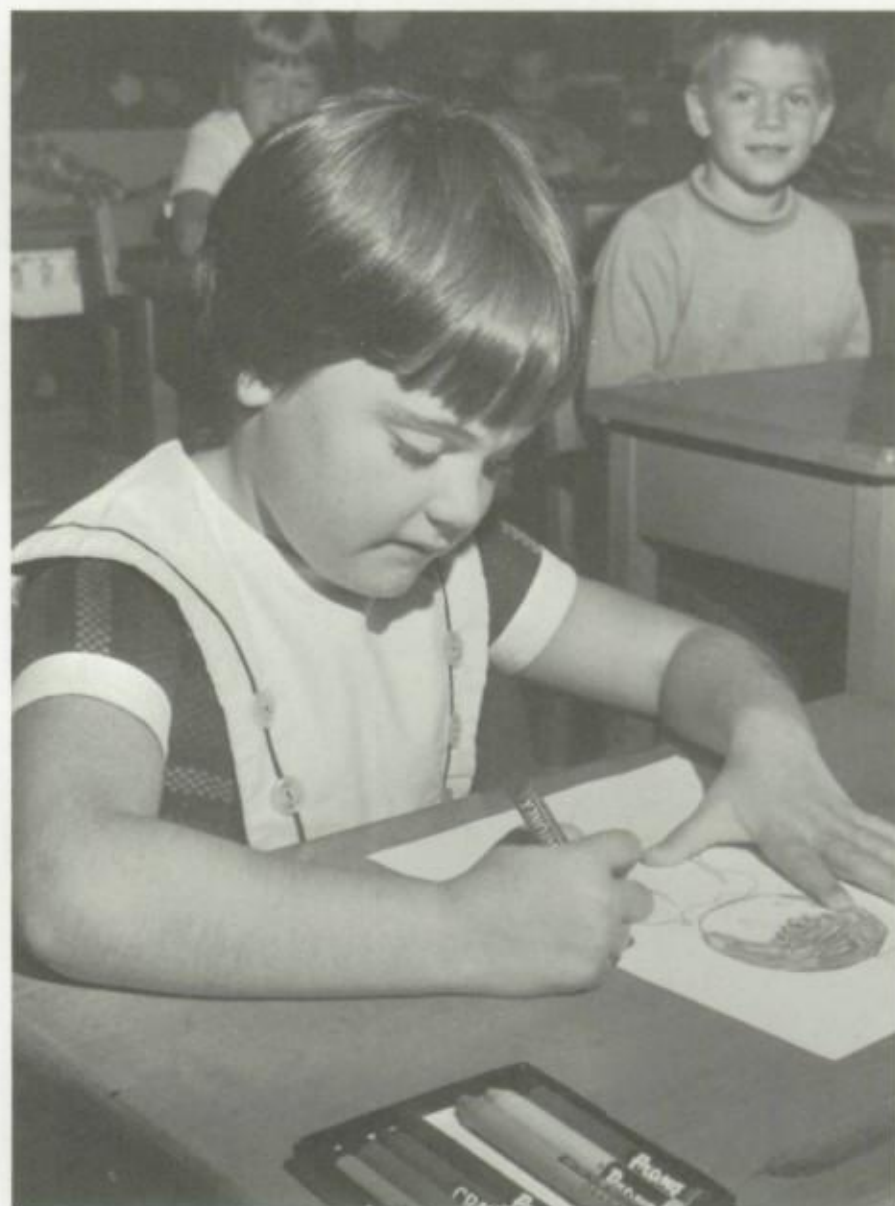

Mr. Frank Henry

Dedication

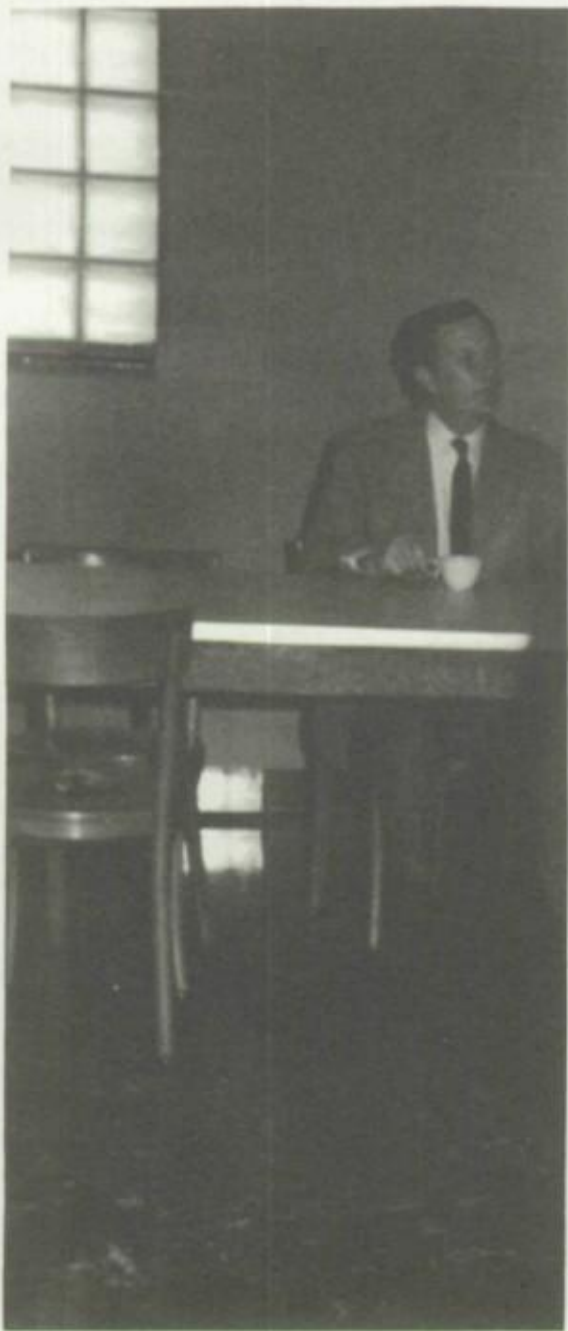

In expression of our appreciation, the Senior Class wishes to dedicate Spotlight 1969 to Mr. Sullivan and Mr. Henry. Your qualities of leadership and service have set a prime goal of achievement for any student. Your patience and devotion in both teaching and advising our class have enabled us to progress throughout our high school years.

As we reflect on these facts, we feel you are most deserving of this dedication.

Members of the Class of 1969

The world we live in, the world in which you will shortly have a larger measure of participation, is a troubled one, beset with many problems. Yet it is true that strife and conflict have been the burden of people throughout history.

Actually we have many things for which to be thankful. We have the privilege of living in this great country of ours, rather than in any other nation on earth. Here we have the opportunity and the responsibility to work out our differences to reach mutual decisions for the welfare of all. These privileges are not universal.

You will have an opportunity to exert a measure of influence on these problems through your leadership and through the leaders you help select. It is the earnest wish of all those who have worked with you that you will bring the full force of your spiritual, moral, mental and physical training to bear on your future activities.

I wish you every success as you leave Clymer Central School.

CAFETERIA STAFF

The cafeteria staffs of Clymer and Findley Lake are continuously working to serve one and all. Their work daily provides us with a well-planned and well-prepared meal. The staffs are always present when we need them; either for food or help and advice in our class suppers.

Irene Shields, Mildred Duink, Doris Goggin, June Williams, Vivian Fiet, Eleanor Fair.

Staff

CUSTODIANS

The custodial staff of C.C.S. has maintained our school's appearance over the past years. They perform the needed tasks which keep our school in efficient and safe condition. Without their work, our walls would not gleam with warmth and light.

BUS-DRIVERS

The bus-drivers and mechanics of C.C.S. daily possess the responsibility for each student's safety. They transport our students to and from home and the many school activities. Our school has maintained a record of bus-safety through the interest, alertness and concern of our staff.

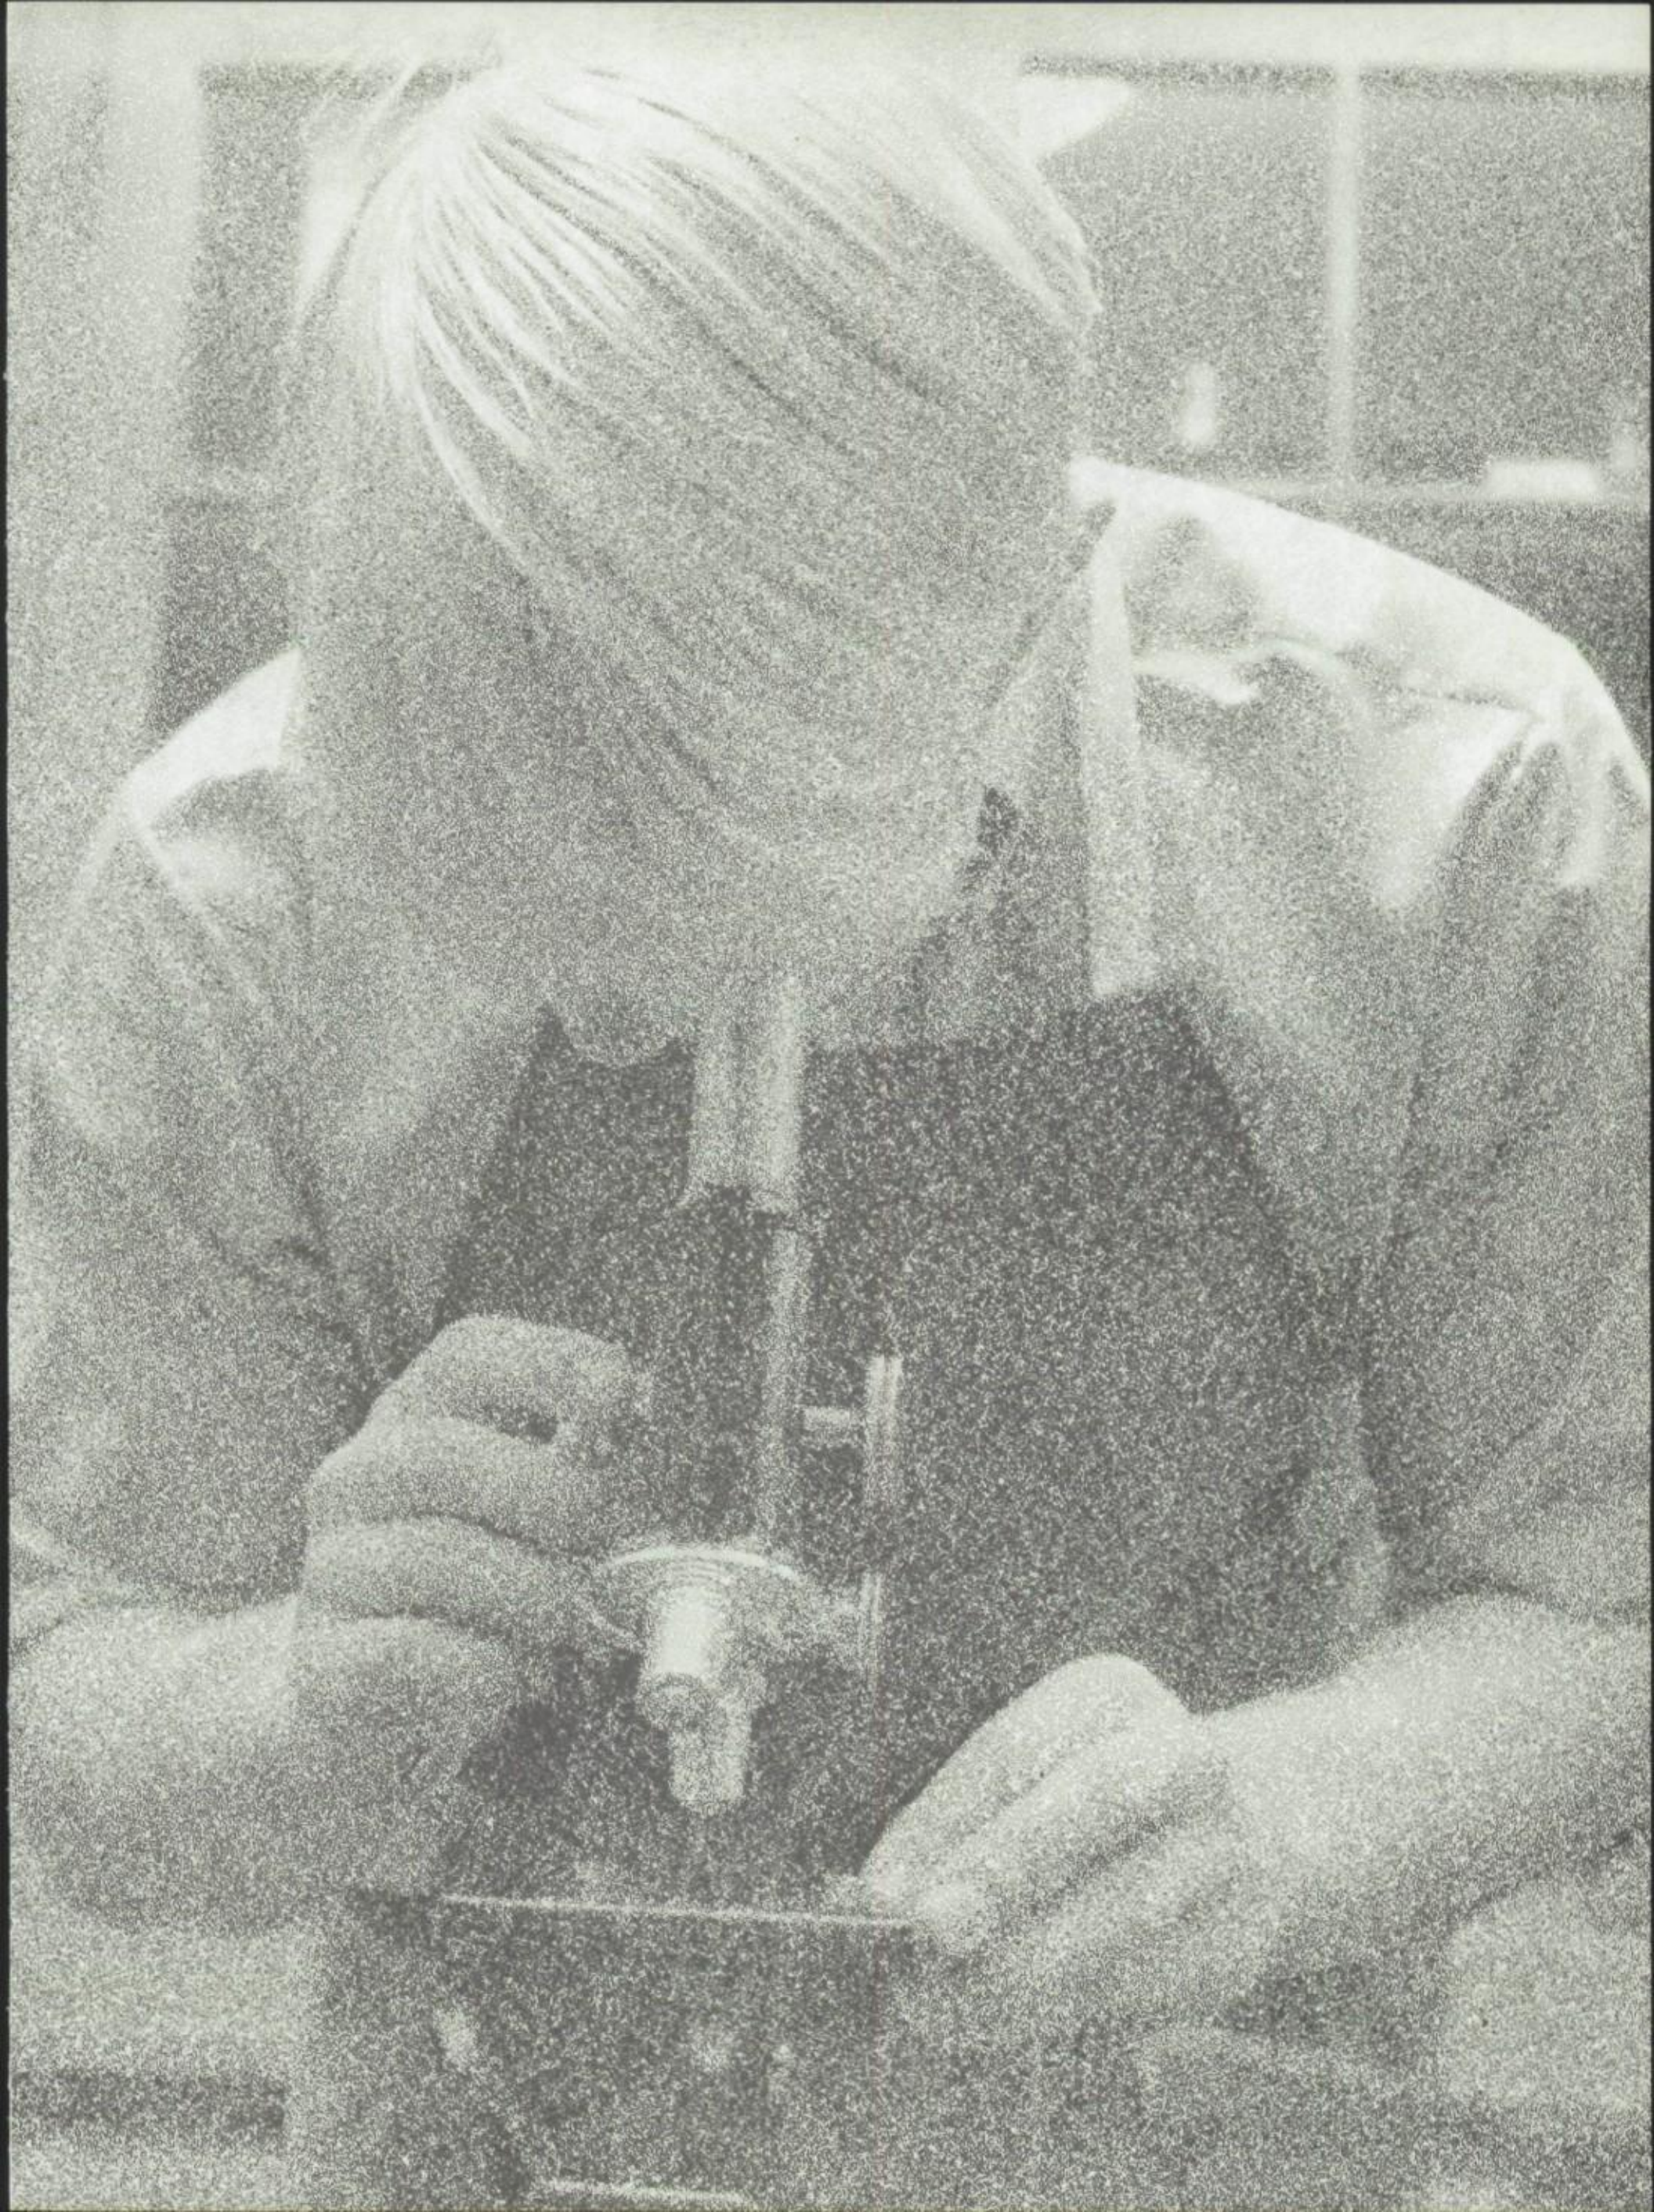

Donald Lookenhouse, Raymond Willey, Loren Upperman, David McClimans.

Vocational Training

COSMETOLOGY

The girls in Cosmetology I and II learn the techniques for hair-styling and beauty-care. The students daily attend a half-day session in Lakewood. After the two-year course the girls will be eligible to take the state examination to receive a license to practice beauty-care.

AUTO BODY AND AUTO MECHANICS

The students in Auto Body and Auto Mechanics take half-day courses at Sherman and Lakewood. They study techniques in auto body work, refinishing, and welding. After high school the students may seek employment or operate independently.

DATA PROCESSING

The course in Data Processing at Lakewood teaches the students efficiency in using electronical equipment such as accounting machines, key punches, and card sorters. At the conclusion of this course, the students may seek further education in this field or obtain a job.

FOOD SERVICES

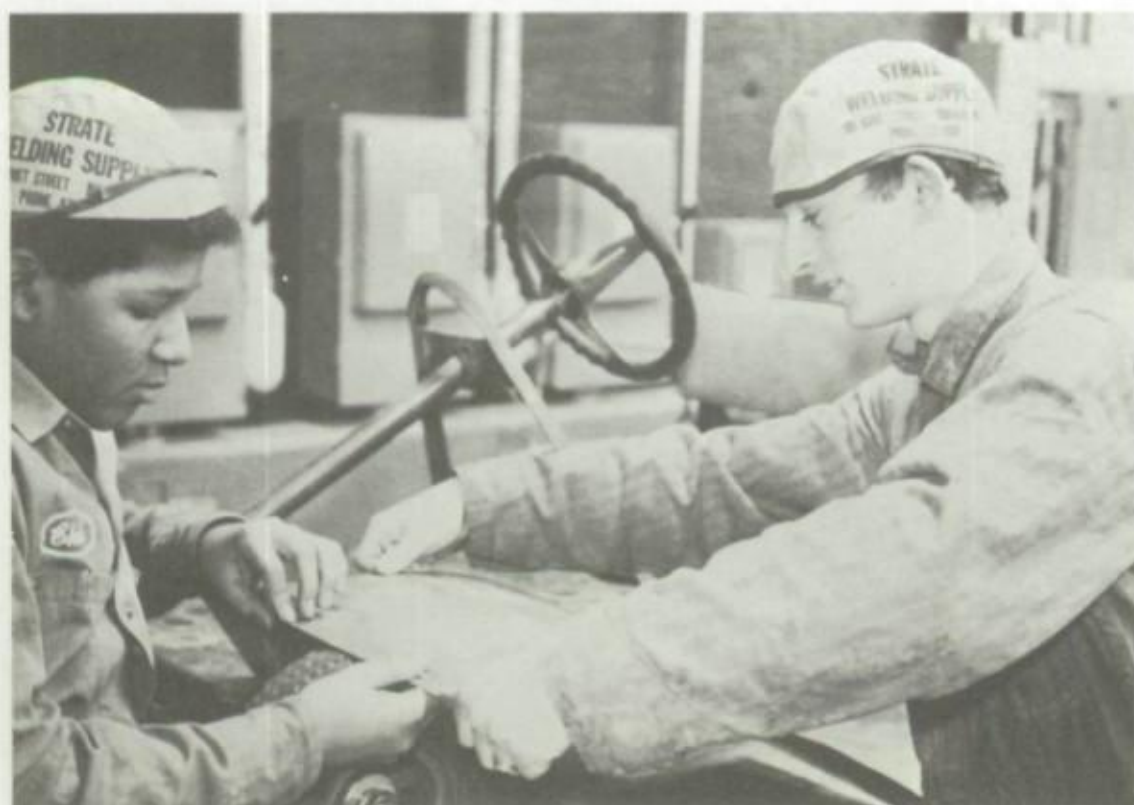

Students in Food Services are learning the methods of food preparation of all types on a large scale basis. After graduation they will be employed in the food service outlets in our county.

WELDING

A new and challenging course in welding to prepare the student for occupations directly following graduation was started this year. It's technical training will prepare a salable skill for students.

HEALTH SERVICES

Students in this course are trained to be efficient and skilled in aiding in sick care situations.

Individual Progress

INDIVIDUAL PROGRESS

The Individual Progress class, of Clymer Central School, is taught by Mr. Stormer. Its purpose is to prepare each individual academically, vocationally, and socially. This enables the student to make the best possible use of his potential. The students develop on an individual level, which leads to their self-improvement. Many activities in art and music are constructed to broaden their field of interests. The students learn to work at jobs with audiovisual aids and in the cafeteria. This schedule prepares the students for life after high school.

The team goal to win the league championship was accomplished when Clymer clipped Brocton in the last game of the season. On the verge of the championship, Clymer dropped two games late in the season to make this goal an exciting finale with a record of 12 wins and 2 losses. The team racked up an outstanding season based on good defense, fast break plays, and overall team work. Some very close games won and lost characterized Clymer's best year since 1956.

Cheerleaders

Varsity

C.C.S. cheerleaders made a fine showing by keeping victory spirits high throughout all of our football and basketball games, and encouraging us with their surprising and entertaining pep meetings and posters. They helped us to 3rd place in football and a league championship in basketball. They played a big part in the Athletic Association organization and projects. Our Varsity was: Darelene Bemis, Colleen Schurman (sub.), Vicky Munnell (Capt.), Rebecca Hinsdale, Sonya Beckerink, Lynda Cummings, Margaret Blish (Co-capt.).

Junior Varsity

Mary Lou Cady, Connie Moore, Linda Molk, Mary Pitcavage, Pam Holthouse, Brooke Markham, Jamie Munnell.

Junior High

Paula Holthouse, Susan Porter, Sally Eliason, Marty Molk, Susan Camper, Diane Warnshouse, Patricia Holthouse.

Baton Twirlers

Judy Bush, Veronica Cole, Jamie Munnell, Christine Stahlman, Joline Stahlman, Pam Munnell.

Inger Anne Charlotte Aberg arrived August 12, 1968, to spend the 68-69 school year. She stayed at the home of Mr. and Mrs. Harold Porter and family in Findley Lake.

Inger is from Gothenburgh, Sweden. She has a sister and two brothers, Ulla, Ulf, and Lennart. Her mother is a housewife and her father is a chief engineer on a ship that goes to South Arabia, India, and Japan.

Inger's interest are track, skiing, traveling, and dancing. This year she was Aunt Trina in the Senior play, I REMEMBER MAMA.

Everyone enjoyed having Inger here this year for she made the school year brighter not only with her smile but with her presence.

American Field Service

The main purpose of the A.F.S. Club is to promote better relations with countries abroad. In order to do this, they sponsor many projects. Candidates from our A.F.S. chapter for overseas exchange students are Kevin Neckers and Debbie Bemis.

Cesar Meneses came to Clymer February 24 for student exchange week. Cesar is from Brazil and is spending his year at Park School, in Buffalo.

Cesar showed slides of his country during the A.F.S. Club meeting.

A reception for Inger and Cesar was held on March 1.

Library Aides

The Library Aides help students and the faculty in the use of library materials. They stimulate appreciation for books through knowledge and pleasure.

French Club

By learning cultural ideas of a country, a student can grasp a clearer understanding of its people. The French Club not only studies the language but also the culture of France. Using various items as articles, newspapers, and drills promotes a fine response to learning from the students.

Athletic Association

The Athletic Association, a newly formed club at C.C.S., is composed of cheerleaders and all members of our athletic teams. Throughout the year, the association has sponsored dances and

sold basketball programs. It's purpose is to promote good sportsmanship and to help work for the Norman Becker School Sportsmanship award.

Latin Club

The Latin Club stimulates learning about the Roman culture and language. The club watches films, solves crossword puzzles and makes posters to vary their methods of learning.

Future Farmers of America

The Future Farmers of America aim to develop agricultural workers for our present and future world. It develops leadership, co-operation and citizenship among its members through a motto of "Learning to do, doing to learn, earning to live and living to serve."

Future Homemakers of America

The members of the Future Homemakers of America strive to improve their life in the community. They can express themselves in the group, develop their character and establish high moral codes for living. Each girl can better her skill which she will use throughout life.

Future Teachers Club

The Future Teachers Club's main purpose is to give students an insight into teaching. They visit centers, view films and observe teaching methods. These experiences give the students a basis for a decision about teaching as a vocation.

Future Nurses Club

The Future Nurses Club aims to promote an understanding of various aspects of nursing. They cover certain skills of the trained nurse. Discussion stimulates an interest in learning the many responsibilities which a nurse must encounter.

National Honor Society

The National Honor Society challenges students to achieve outstanding scholarship, leadership and service. Our local chapter, Kappa Lambda, was formed in 1947. The new members inducted this fall, but not pictured, were Margaret Blish, George Legters, Lynette Damcott, Sara Robinson, and Brian Henry. All members are expected to demonstrate these qualities and also be an example to others.

Student Council

The Student Council regulates various school activities. For equal representation, three members are elected from each high school class. The Student Council awards a scholarship to a deserving member of the graduating class, gives a Christmas gift to the Korean Orphanage and sponsors a dance.

"The Tattler"

The "Tattler", a production of the Junior Class, makes possible an opportunity for the staff to learn basic journalism and record as well the scholastic, recreational and social activities on a month to month basis. As Editor, Linda Thompson and other juniors on the staff worked to create an interesting publication each month. Mr. Thomas served as publication Advisor.

Spotlight

The Spotlight, annually published by the Senior Class, is a record of the school year 1968-69. Editors, Donna Rothenberger and Mary Foster with the year-book staff, worked to convey a record in picture and word of the many activities of the school year. Mr. Thomas and Mr. Bensink served as advisors to the staff.

"I Remember Mama"

May Day

On May 17, 1968, the annual May Day festivities were held. After a threatening morning the clouds gave way to the noonday sun to make possible an out-door program. Following a procession of Senior and flower girls to the platform, the heralding of trumpets announced the Queen, Karen Rowan. In a white gown, seated on a floral platform, she was crowned by the Junior Representative, Mary Lou Foster. Other class representatives presented their gifts and the fourth grade entertained by winding a colorful May-pole.

Tulip Festival

Queen Mary Jane

The annual activities of the Tulip Festival were held on May 20, with the theme being "Memories in Song." The day began with the street scrubbers followed by the Kleine and Groat Kompen dancers. The parade was highlighted by bands and floats. The float of the R.C.Y.F. of Abbe Reformed Church was awarded Grand Prize. In the evening, Mary Jane Hinsdale was crowned the new queen by Ruth Mobilia, queen of 1967.

"Most Beautiful Float"

Enchanted Forest

One was enhanced in a wonderland of flowers and greenery at the Junior-Senior Banquet and Prom. It was held on May 24, 1968, at Peek'n Peak Ski Center with a prom-party at C.C.S. The royal couples, Mag Blish and Ben Fergus as Princess and Prince, and Mary Jane Hinsdale and Paul Heslink as Queen and King, were crowned at 12:00 midnight in the enchanted forest.
